

REMARKS

The present amendment is prepared in accordance with the new revised requirements of 37 C.F.R. § 1.121. A complete listing of all the claims in the application is shown above showing the status of each claim. For current amendments, inserted material is underlined and deleted material has a line therethrough.

The foregoing preliminary amendment is submitted as noted above to define more specifically the invention described in this continuation-in-part application. The claims pending in this application are now 7-20. Applicants have canceled claims 1-6 which have been allowed in the parent application and are no longer applicable to this continuation-in-part application.

Respectfully submitted,

John J. Tomaszewski
